

I love K-Love, I Listen to it every morning. My kids love it to. I would hate to see it go. I think that people should have a right to get to Listen to it. There are people out there that hate God, They have that right, But we as Christians love God and we have that right to. I think K-love is great for the community, thier are people out there that K-Love has brought them to Christ. If non-belivers don't like it don't listen to the music, but just has they have thier right to listen to thier devil worshiping music, and share it with people. we should also be able to share God, and try to get out into our community. It would defintly delete all the violence in this world. And K-Love is a great way to do that.
